

Webinar
DEBs Talks
2nd Edition

 16 Novembre 2026

 17:00 – 18:00 CET

Supported by:

Programme

Learning Objectives

After watching this webinar, participants will be able to:

- understand the design, methodology, and clinical outcomes of trial presented.
- gain insights into patient and lesion selection, procedural technique, and long-term follow-up considerations to optimise clinical outcomes with DEB-only PCI.

Chairmen: Alfredo Marchese, Flavio Ribichini

Discussants: Stefano Galli, Gioel Secco

Time	Topic	Speaker
17:00 – 17:05	Introduction	Alfredo Marchese
