L. Testa

F. Ugo

Rome, 20th December 2022

Meet the Expert: Insight on Cardiac Anatomy

C. Basso

- 14.00-14.30 **Welcome and introduction**
- 14.30-15.30 **Cutting for knowledge**
- 15.30-17.00 **The heart from inside**
- 17.00-17.30 **Debriefing**

Rome, 21st December 2022

Vascular access in the cath lab: an anatomy-tailored approach

Team Leaders: F. De Marco, A. Iadanza, I. Porto

- 09.15-09.30 **Welcome** All
- 09.30-10.15 **Choosing the Vascular Access in Coronary Intervention:
the evidence is solid** I. Porto
- 10.15-10.45 **Trans-radial Access: Roadmap from the wrist to the heart** I. Porto
- 10.45-11.15 **Snuffbox: the new kid on the block** A. Iadanza
- 11.15-12.00 **Echo and Fluoro- guided puncture:
necessary or a waste of time?** A. Iadanza
- 12.00-12.45 **A big, fat hole: large-bore vascular access in structural heart
intervention** F. De Marco
- 12.45-14.00 LUNCH
- 14.00-15.00 **Radial Access: let's do it!** All
- 15.00-15.30 **Femoral haemostasis** F. De Marco
- 15.30-16.00 **How to prevent and Manage TRA related Complication** I. Porto
- 16.00-16.30 **Vascular Complication Management in femoral approach** A. Iadanza
- 16.30-18.00 **Debriefing & Closure remarks** All

Rome, 11th January 2023

Amat Victoria Curam. *Il successo ama la preparazione*

Team Leaders: J. Oreglia, A. La Manna, D. Rutigliano

08.30-09.00 **Welcome Coffee**

09.00-10.00 **In-Flight Simulation** All

10.00-11.00 **Coronary Guidewire: know your enemy to get a friend** A. La Manna

11.00-12.00 **The 3Rs rules for microcatheters (Right tool, Right moment, Right situation)** D. Rutigliano

12.00-13.00 **CTO technique for complex lesions: Case - based learning** J. Oreglia

13.00-14.00 LUNCH

14.00-16.30 **Back on track** All

16.30-18.00 **Share your practice** All

18.00 **Closure remarks**..... All

Rome, 31st January 2023

Meet the Expert: Mastering data and clinical studies

G. Biondi Zoccai

14.00-18.00

Rome, 1st February 2023

Forks on the road: education in bifurcation

Team Leaders: J. Oreglia, G. Secco, L. Testa

08.45-09.00	Welcome	All
09.00-10.00	Case-based tips and tricks: How to maximize success and avoid complications	J. Oreglia
10.00-11.00	The role of clinical trials in bifurcation stenting: guidance or hindrance?	L. Testa
11.00-12.00	Imaging in bifurcation stenting: tunnel vision at its best	G. Secco
12.00-13.00	LUNCH	
13.00-15.30	Bifurcation stenting: let's do it!	All
15.30-17.30	Share your experience	
17.30-18.00	Debriefing & Closure remarks	

Bologna, 7th March 2023

Meet the Expert: Give a look outside the heart

F. Castriota, R. Nerla

14.00-18.00

Bologna, 8th March 2023

Be Ready@Bootcamp: Complications Management Strategy

Team Leaders: G. Boccuzzi, S. Colangelo, F. Ugo

08.45-09.00	Welcome	All
09.00-12.00	MORNING SESSION	
	- Stent dislodgement	G. Boccuzzi
	- Coronary rupture	S. Colangelo
	- Coronary Perforation management	F. Ugo
12.00-12.30	Debriefing	All
12.30-13.30	LUNCH	
13.30-14.00	Complication Showcase	All
14.00-17.00	AFTERNOON SESSION	
	- Pericardiocentesis	F. Ugo
	- Fractured guidewire	S. Colangelo
	- Undeatable balloon	G. Boccuzzi
17.00-17.30	Debriefing	All
